Western country—It was in this way that the
Indian Root Pills were first discovered. Dr.
Morse was the first mat to establish the fact
that all diseases arise from IMPURITY OF
THE BLOOD—that our strength, health and
life depended upon this vital fluid.
When the various passages become clogged,
and do not act in harmony with the different
functions of the body, the blood loses its action,
becomes thick, corrupted and diseased; thus THE BLOOD—that our strength, health and life depended upon this vital fluid.

When the various passages become cloged, and do not act in harmony with the different functions of the body, the blood losestis action, becomes thick, corrupted and diseased; thus causing all pains, sickness and distress of every name; our strength is exhausted, our health we are deprived of, and if nature is not assisted in throwing off the stignant humors, the blo d will become choked and cease to act, and thus our light of life will be forever blown out. How important then that we should keep the various and the stignant humors, the blow out. How important then that we should keep the various and the stignant humors, the blow out.
